the carnival, as parents will be participating with their children. If you are planning to be helpful, please let Orrin or Meagan know today.

I do want to acknowledge how much a core group of volunteers has accomplished on Wednesday nights in preparing the building for the events. Sometimes it might seem that running a pair of scissors or hot glue gun isn't a very spiritual form of service. But take heart that without your preparation in this way, the door would not be opened for telling the stories to Scripture to small children, many of whom would never hear them.

Consider yourselves to be like the young boy who offered up the loaves and fishes before the feeding of the 5000. It might not look like much, but Jesus can do amazing things built upon the foundation of a very small offering on our parts.

*Grace and Peace,
Carl*
