The Virus is Back

Sadly, the elders wisely had to close our building just before services last Sunday morning. The Covid-19 virus has returned to St. John with a vengeance. The number of new cases and the number of people under quarantine has exploded.

Fortunately, we were prepared and were able to worship online using the Internet. If you would have been in the auditorium, you would have seen John preaching from behind the pulpit and Orrin at the far end of the building manning the cameras and micro-

phones sending it all out on the Internet.

For the foreseeable future, our building will remain closed, but we will still be meeting online. The different programs are available for you to watch at your convenience from our website or from YouTube. New episodes will be posted Sundays.

A Time to Laugh

DEALING WITH TEMPTATION: After starting a new diet I altered my drive to work in order to avoid passing my favorite bakery. This morning, however, I accidentally drove by the bakery and, as I approached, there in the window were a host of delectable goodies.

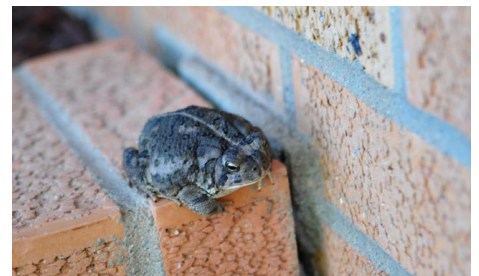

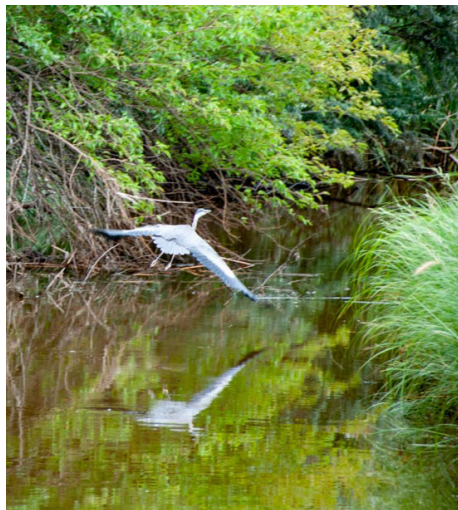

I felt this was no accident, so I prayed, "Lord, I'm leaving this up to you. If you want me to have any of those delicious goodies, create a parking place for me directly in front of the bakery.

And sure enough, on the eighth time around the block, there it was! God is so good!

A Place for Pictures

Wildlife is everywhere! From toads on our porch, to Heron in Peace Creek, to bison in the pastures just outside of town. Celebrate life!

For Your Prayers

It is about time for our children and teachers to return to school. These are uncertain times, and so, this morning, we are offering a special prayer during our worship asking the Lord to watch over and protect them. Please also include these precious ones in your private prayers!

Can you believe it? Dixie Hornbaker turns 90 on August 22nd. Cards can be sent to 608 N Exchange St John, KS 67576

Garland and Dena Mansel's 60th anniversary is Sept 3rd. Let's spread the word! We want people to send cards. Their address is 311 East Third. Thanks!

Shirley Shelton was discharged from the hospital this week and is going home.

Maren's second transplant is now scheduled for August 25th. They have already begun radiation treatments in preparation. Please keep this little girl in your prayers!

Carol's first surgery went well, and she is scheduled to have her other hand worked on in four weeks.

We also want to remember our Church family around the world, especially in Mexico and India as they face the challenges brought on by this pandemic.
