Welcome to Worship!

We're glad you're here. Bible classes begin at 10:00. For kids, Pete & Penelope, our children's puppet program, is followed by songs and classes.

How much do you know about the Holy Spirit? For most people, the Spirit seems mysterious and, perhaps, a little frightening, but this is the Age of the Spirit! Join us for Bible Class at 10:00 and learn to appreciate the Spirit of God. Worship follows at 11:00.

If you are unable to be with us in person, our worship is shared through our website:

No Need to Rob a Bank

Danny Simpson of Ottawa, Canada, made two tragic mistakes in 1990. Desperate for money, Simpson decided to rob a bank. He visited the bank every day for a week to plan his hold up, and then the night before, Danny had dinner with his parents. While mom and dad cleaned up the dishes, he slipped into his parent's bedroom and took the 45-caliber pistol from the drawer in the nightstand beside his father's bed.

The next day, Simpson made off with two bags of cash worth over \$6,000 from the bank. When the Mounties reviewed the surveillance tapes, they quickly identified Simpson as a “frequent visitor” and made the arrest.

Danny Simpson made two big mistakes. The first was robbing a bank, and the second was using his father's pistol. While Simpson stole \$6,000 from the bank, his father's pistol was a very rare 1918 .45-caliber Colt semi-automatic made by the Ross Rifle Company valued at over \$100,000! The pistol went to a Canadian museum, and Simpson went to jail.

As Christians, we might desire the gifts someone else has: their respect, ability to teach, or sing, but God has given each one of us unique skills (Romans 12:6-8) that make us special in our own way. Rather than envying someone else, we need to discover the gifts that God has given you.

What's your gift?
