## From The Elders at the St. John Church of Christ

Love is the ultimate expression of God's loyalty, purity, and mercy extended toward His people – to be reflected in human relationships of brotherly concern, marital fidelity, and adoration of God. “Love each other just as I have loved you, you should love each other. Your love for one another will prove to the world that you are my disciples”. John 13:34-35

If we love one another it should bring us joy to be together. We all have that opportunity on Sundays, plus having Jesus in our midst. Sunday 4/3/2022 was a joyful day to see so many of you.

Let's all try to think of someone that wasn't there and encourage them to be there 4/10/2022. We are a family and we must work together. Let us try to reach out to someone this week and either tell them we missed them or tell someone that was there that we were glad to see them.

The elders would welcome your input on anything that you think would help our church family.

We pray that God blesses each one of you.
