From The Elders at the St John Church of Christ

Have you ever thought and come up with anything quite like the extravagant generosity of God and His deep deep wisdom? It is way over our heads, beyond our understanding. We will never figure it out. Science sometimes disagrees with God, but when they get the science right, God is always right. We will never figure it all out. Is there anyone who can explain God? Is there anyone smart enough to tell God what to do? Sometimes we may offer Him some advice but hopefully we realize our own lack of knowledge and back away from that. Is there anyone who has done him such a huge favor that God has to ask for someone's advice? Everything comes from Him. Everything ends up in Him. All glory to God!! All praise to God!!

Don't forget to pray for all our church family by name and pray about their problems and blessings. Show and feel sorrow for their problems and show and feel happiness for their blessings. As a family we share our love and lives.
