From The Elders at the St John Church of Christ

The joy we feel has little to do with the circumstances of our lives and everything to do with the focus of our lives. God doesn't always spare us from difficult circumstances, but He does give us true principles to keep us focused. If we focus on our most treasured relationships, on connecting with people we love, we'll find strength to endure. If we focus on helping and caring about others we will find that our own problems become smaller. Most of all, if we focus on the Lord and His goodness, we will find joy – which has always been available – we just need to know where to look.

Come near to God and God will come near to you. You can not follow God and the world at the same time. Make your thinking pure. Humble yourself in the Lord's presence and He will honor you.

Also please don't forget to pray for our upcoming VBS on June 4th and 5th. Parade is Saturday May 28th. Come and join the fun with helping on the VBS float.

Silver Maple Camp starts up soon. We need prayers for the camp to have a productive and safe year as they teach the children about our loving God.

May you feel God's presence as He continues to bless us with His love..
