

From The Elders at the St John Church of Christ

God makes everything come out right. He puts victims back on their feet. God is mercy and grace, not easily angered, He is rich in love. He doesn't endlessly nag and scold, nor hold grudges forever. He does not treat us as our sins deserve, nor pay us back in full for our wrongs. As high as heaven is over the earth, so strong is His love to those who fear Him. And as far as the sunrise is from the sunset, He has separated us from our sins. As parents feel for their children, God feels for those who fear Him. He knows us inside and out, and keeps in mind that we are made of mud. Men and women don't live very long – like wild flowers, they spring up and blossom, but a storm snuffs them out just as quickly, leaving nothing to show they were here.

God's love, though, is forever and always. He is eternally present to all who fear Him, making everything right for them and their children as they follow His Covenant ways and remember to do whatever He said.

Have a good week! God loves you and we are to love each other. Bless you all.
