

## From The Elders at the St John Church of Christ

God did not set us up for an angry rejection but for salvation by our Master, Jesus Christ. He died for us, a death that triggered life. It matters not if we are awake with the living or asleep with the dead, we are alive with Him. So speak encouraging words to one another. Build up hope so you will all be together in this. No one is left out, no one is left behind. You are doing this and it shows and sometimes our lives get so complicated it is hard to work extras into our schedules but just keep doing it. Pray for everyone in our church family and try to call 2 or 3 or more just to encourage them and that in turn will encourage you. Also please watch for folks in our community that might need a little help. We want to reach out and find new ways of helping more in our community.

May God bless you richly throughout this week.
