## From The Elders at the St John Church of Christ

Our God governs the Earth. We always need to remember that, even now. He can use evil people to serve His purpose and He uses good people (believers) to accomplish His will. He is always in charge and in control. Sometimes that is hard to understand and can be a test of our faith, but we need to trust God and wait. He does things on His schedule, not ours.

<sup>1</sup> May God be merciful and bless us. May his face shine with favor upon us.

<sup>2</sup> May your ways be known throughout the earth, your saving power among people everywhere.

<sup>3</sup> May the nations praise you. O God.

<sup>4</sup> Yes, may all the nations praise you. How glad the nations will be, singing for joy, because you govern them with justice and direct the actions of the whole world.

<sup>5</sup> May the nations praise you, O God. Yes, may all the nations praise you.

<sup>6</sup> Then the earth will yield its harvests, and God, our God, will richly bless us.

<sup>7</sup> Yes, God will bless us, and people all over the world will fear Him.”

Psalm 67 The Open Bible New Living Translation

Let us all pray for God to straighten out our country and trust Him.

We pray you all have a blessed and safe week ahead.
