From The Elders at the St John Church of Christ

Human beings are works in progress that mistakenly think they are a finished product. Our loving Heavenly Father sees us for who we have the potential to become. He wants us to see what He sees. Then, rather than defining ourselves by who we have been, we can begin to become who God wants us to be.

Read His word, meditate on it. There is power in His word. Take it into your heart, let it change you. God's spirit works in our lives. Open your heart and mind and let him guide you to become what He wants you to be. Pray (talk to Him, feel His presence). Let Him guide your life, help you with your problems and draw you closer to Him.

(Col. 1:9-10) " For this reason, since the day we heard about you, we have not stopped praying for you. We continually ask God to fill you with the knowledge of His will through all the wisdom and understanding that the Spirit gives, so that you may live a life worthy of the Lord and please Him in every way: bearing fruit in every good work, growing in the knowledge of God."

God bless you all. Have a good week. Please pray for all our church family, especially for those that are fighting illnesses and troubles in their lives and a call or visit to someone this week will be a blessing to you as well as to those you reach out to.
