## From The Elders at the St John Church of Christ

In the familiar Bible story the Master entrusted his servants with sums of money – called talents – in varying amounts. He equally praised those who, rather than burying their talents, used them and developed what he gave them, whether it was much or little. Whatever measure of talent we have, it can be a blessing to the world around us, but only if we share it. Are you sharing the talents God gave you or are they hidden. We all have talents. We are not all the same, we don't have to have the same talents although some overlap. That is fine. If you are not using your talents, please start sharing them. If you don't know what your talents are, let us help you identify them so you can use them to glorify God. Be a blessing to someone today.

Always know the elders are here for you. If you have problems that we can help with or ideas or thoughts to share, let us know.

Have a blessed week, and don't forget – be a blessing.
