From The Elders at the St John Church of Christ

When we have faith in God as the one and only God, the Creator, as described in Genesis, and the Loving Father in Heaven that sent His one and only son who had NO sin to die for OUR sins so we don't have to stand trial for our sins --- well, it changes our lives! It changes EVERYTHING!!! Our whole perspective on life changes! We no longer see things the same way as the world does. Instead, we see things through a different lens, we see things the way God sees them, or at least we should or at least we begin to. That should be our greatest goal in life. And that makes all the difference (“we live by faith, not by sight” 2 Corinthians 5:7) If we watch for God we can see Him acting in our lives and in the lives of others. In difficult times, trust in God! In good times, trust in God! He is always there for us and He loves us. That does not mean He gives us everything we want. When you were a child, sometimes your parents said “no”, sometimes “not now”, sometimes “yes”. You can count on Him to be there for you and He always is loving you. Romans 8:28 tells us He works in all things for the good of those who love Him. If God is for us who can be against us! We will win, spiritually! Faith comes by hearing and hearing by the word of God. Study God's word. Let it sink into your thoughts and your actions. We encourage you all to come to Sunday morning Bible class. It's a great time to soak up more of God's word. Hearing others talk and share thoughts about God's word sometimes shines a light on something we may have overlooked. Please pray for those of our church family. Some have specific needs we know about, who we pray for specifically, but we all need the prayers of our brothers and sisters in Christ. We pray we all draw nearer to God and feel His Presence in our lives. Have a great week!! - The Elders
