From The Elders at the St John Church of Christ

“Give us each day our daily bread” Luke 11:3 - Daily bread includes all of the believer's physical needs, for the Lord supplies not “once-for-all” but day by day. That is not the way we think or plan. We think ahead by the week or month or the year or maybe till we retire or till we even die. Do we really trust the Lord to provide day by day? We have to plan ahead but sometimes when we can't see just how it is going to work, we need to trust more. Matthew 6:11 repeats again “Give us this day our daily bread”, which is a necessity of life which , as above, includes all the believer's physical needs. Matthew 6:16 talks about fasting, “when you fast”, and verse 17, “when you fast”. When do you fast? Matthew 6:34 talks about not being anxious about the physical things, “but seek ye first the kingdom of God and His righteousness and all these things will be added to you.” It is good to take time to examine our time. Are we spending too much time on the wrong things???? Let's all grow this week by spending more thought and time on Godly things. You all have a very blessed week ahead and enjoy the holiday season. Please remember that there are those all around us that have struggles this time of year. Those who have lost a loved one this year and are facing the holidays for the first time without that loved one, or those who need love and encouragement, those who might need some kind of help or just special attention. Sorrows seem to magnify during the holidays. Let us all pay attention and be a light if we can. God Bless you all. - The Elders
