From The Elders at the St John Church of Christ

I love people that have no idea how wonderful they are and just wander around making the world a better place. We have some of them in our church family. I am not going to point you out, but Thank You!!! If the Savior stood beside me, would I do all the things I do? Would I think of His commandments and try harder to be true? Would I follow His example? Would I live more righteously? If I could see the Savior standing by watching over me would I live and act and talk differently?

Well He is watching over us, standing by us – so let's think about it this way and don't do, think, or say things that He would not be a part of. That is one way we can let the Holy Spirit guide our lives. We must comprehend that He lives within us. You can't take Him off like a coat and hang Him up. Please do not grieve Him. Think about it. Praying that God blesses you in all that you do. God Bless you all. Make it a great week ahead and remember – think about it. - The Elders
