## From The Elders at the St John Church of Christ

God came up with the idea of family and it is a description of a wonderful relationship – God is our Father! He allows us to call Him our Father. We can choose to be His child. He is the most loving Father we can imagine. He gave us His son to pay for our sins. We are free of sin if we choose to be His child and follow His commandments - but it is our choice. He forgives our wrongs when we repent. We do not have to be perfect. He allows mistakes, even willful ones! He is the example of what a father should be. If you are a father here on earth and struggle here on earth, look up to Him for an example of how to do it. You won't do it as well as He does, but we have an example to follow. Everyone cannot follow Him perfectly. We all mess up sometimes – actually a lot of times – and we even truly fail at times but pursue to follow the example He gives us to the best of your ability and He will help you.

God bless your efforts fathers, and God bless you all as we try to be a blessing to our families and to our church family. Have a blessed week ahead. This is spring break week for some of the schools in the area. Enjoy that extra special time you have with your family. And don't forget – be a blessing. – May you feel God's presence in your lives. - The Elders
