From The Elders at the St John Church of Christ

When we wander off, the Good Shepherd, Jesus Christ, comes to our rescue because He cares as much about the one who strays as He does about the ninety and nine who stay. He never gives up on us. When we are found, He carries us to safety, rejoicing in our recovery and He welcomes us back into His fold.

What does he ask in return for such goodness, mercy, and grace? He asks us to become part of the flock again and invites us to feed His sheep and to help others find their way home also. We are a family, a flock, and we need to watch for those on the edge or those that have strayed and help them find their way back. We can all do this and if you need help – ask Zeb or one of the elders. We will be glad to help. God bless you all! - The Elders
