From The Elders at the St John Church of Christ

Greetings on behalf of the shepherds. We have an amazing fall in the works for you. Preparations are well underway for a very special sermon and Bible class series, and we urge you to make your plans to be a part of it. We, alongside Zeb, are planning to walk you through the Bible in 3 months. This will be an effort to familiarize everyone from our youngest to our most senior saints with God's interaction with different people across time. These are the events that God chose to preserve in Scripture to tell us about who He is. Hebrews 1 tells us that God spoke to the fathers in the prophets in different ways and on different occasions. Now he speaks to us through Jesus. We want you to see how He has shown us who He is.

Our goals are to help you know the story of the Bible, make the Bible less confusing, and to highlight the themes of Scripture that reveal the intentions of God for you. All this in just 3 months! Please make every effort to be here for the series. We are calling it, "Leveling the Playing Field." At the end of the series, you will be familiar with: (1) How God describes himself, (2) who the key characters are in God's story, and (3) how God's kingdom (his family across time) functions in spiritual ways in this physical world. Let's get ready to do this together.
