For The Church

What do you believe? This is a question that all of us should ponder. If someone asked you what you believed about God what would you say? In the early Church the Christians came up with creeds to help them articulate what they believed about God. One of the creeds came from the Council of Nicaea in 325 AD. This is a good and succinct description of what Christians should believe based on the Bible.

I believe in one God, the Father almighty, maker of heaven and earth, of all things visible and invisible.

I believe in one Lord Jesus Christ, the Only Begotten Son of God, born of the Father before all ages. God from God, Light from Light, true God from true God, begotten, not made, consubstantial with the Father; through him all things were made. For us men and for our salvation he came down from heaven, and by the Holy Spirit was incarnate of the Virgin Mary and became man. For our sake he was crucified under Pontius Pilate, he suffered death and was buried, and rose again on the third day in accordance with the Scriptures. He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead and his kingdom will have no end.

I believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son, who with the Father and the Son is adored and glorified, who has spoken through the prophets. I believe in one, holy, catholic (universal), and apostolic Church. I confess one Baptism for the forgiveness of sins, and I look forward to the resurrection of the dead and the life of the world to come. Amen.
